

On Thursday, May 8, the 2nd Annual Red Hot & In Style will be an opportunity for members of the LGBT community to bid on some of South Florida's most eligible bachelors and bachelorettes, while helping families who are dealing with serious illness.

A benefit for Deliver the Dream, the event features local men and women who are bravely putting themselves on the auction block, offering an exciting first-date to the highest bidder, with fun-filled date packages included. Red Hot & In Style takes place at 8 pm at The Manor.

Fearless bachelors and bachelorettes include Alan Kurland, Bryan Wilson, Gabriel Rodriguez, Merrick Williams, Monica Baryo, Sara Barnett, Sherri Rockower and Valerie Lopez among others. Several of them are representing businesses such as The Manor, The Village Pub and SunServe.
