ADDITIONAL COMMENTS

We can't thank you enough for being so giving w/ your time and how generous you are for inviting us and being patient, fun, caring. All these things made it that much more comforting. My girls made friends have more confidence with each new experience. The games and skits were just eye opening to see how much sorrow we can have every day but in those moments everyone had fun, participated and smiled. My family ^{is} ~~might~~ be broken but you just made it possible to grow again. ~~again~~ We are all part of a new family! Thank you.

Please use the other side if you need more room.

ADDITIONAL COMMENTS

Most relaxed since my son's death. Gained insight into caring for my Grandson as ~~to his~~ his parent. Probably need to relieve myself of the guilt I feel.

This was like being in Heaven. My loved ones were here, I did not have to make any decisions. My little one was being looked after by angels in Red & yellow T Shirts, and the weather was perfect.

ADDITIONAL COMMENTS

Our family had a wonderful time. Relaxing and the time to think a moment was very refreshing. Also being surrounded by others who can relate to our circumstance was also beneficial to realizing we are not alone.

ADDITIONAL COMMENTS

Since my husband, Tom passed, this has been the best weekend that my 6 year old son and I have had. We not only had an amazing time, but I learned a lot from speaking with other people who had lost loved ones. It somehow makes it easier when you do not feel alone in this journey through the most difficult time in your life. The staff and volunteers were amazing!! This weekend experience has been life changing. We cannot thank you enough for giving us this opportunity here at Deliver the Dream.

ADDITIONAL COMMENTS

Deliver the Dream, was more helpful than expected.
 I learned alot about how I grieve and how to go through life when things are down. The staff and volunteers were like "Pillows", you always have someone to cry on. I feel more close to my mother-in-law, and because of DTD, I am able to understand that life is literally like a "Box of Chocolates" - you never know what your gonna get.
