

# DELIVER the Dream

Thank You for such a moving experience. It was such a joy to see all of the beautiful smiles. My children had a wonderful time, as well did we. The most memorable moments for me are the ones where I was able to see everyone's emotions in a real way. The happy laughs, uncomfortable smirks, and sad tears. We will cherish all that the staff and volunteers did to make this a special weekend for us.

Thank You again
